7.0 THE COURSE

- 7.1 The course is from the Starting Line, east of the Milang Jetty, across Lake Alexandrina, through **Gate 1**, to Point Sturt, passing through **Gate 2**, then downstream to the finish line at Goolwa in front of the GRYC.
- 7.2 **Gate 1** will be set approximately halfway between Milang and Point Sturt and within 2 NM of the shoreline. The Gate will be approximately 150metres wide and marked by large orange inflatable buoys. A Committee Vessel displaying an orange flag and a flashing light may be stationed adjacent to the northern buoy.
- 7.3 **Gate 2** will be bounded by Channel Marker 88 and Point Sturt.
- 7.4 Race and sail numbers will be recorded at each gate.
- 7.5 **All boats must pass through both gates.**

8.0 THE START

- 8.1 Races will be started by using RRS rule 26 with the warning signal made five minutes before the starting signal.
- 8.2 There will be a 5-minute break between start sequences to allow the starting line to clear.
- 8.3 The starting sequence may be accompanied by a broadcast on VHF CH72.
- 8.4 **Boats shall not enter the Starting Area as defined below, until the Warning Signal for its Division has been made.**
- 8.5 **The start line will be between orange flags flown from the mast of Flag Ship at the starboard end, and the mast of a Committee Vessel at the port end.**
- 8.6 There will be large orange marks at the starboard and port ends. Such buoys are part of the Committee Vessel they protect. A boat must not pass between the buoy and adjacent Committee Vessel. Such action is deemed to be touching the Committee vessel.
- 8.7 The Starting Area is defined as the rectangle bounded by the Flagship at the starboard end, the Committee Vessel at the port end and two large yellow inflatable buoys on the non-course side of the start line.

9.0 RECALLS

- 9.1 Individual Recalls will be made in accordance with RRS 29.1. Boats that do not return and start correctly will incur a penalty of 10% of their elapsed time. This changes RRS Appendix A – Scoring. General Recalls will be made in accordance with RRS 29.2. Boats that do not return and start correctly will be scored DNS. Any further start sequences for Divisions under General Recall shall rotate to the end of the Start Sequence.

10.0 THE FINISH LINE

- 10.1 The Finish Line for all Divisions will be between blue flags flown from the GRYC Marina at the starboard end, and a mast of a Committee Vessel at the port end. Competitors shall sail through the Finish Line and thereafter keep **completely clear** of the Finish Line and **not sail back through the Finish Line**. This alters RRS 28.1.
- 10.2 Boats that sail back through the Finish Line will incur a 10% penalty of their elapsed time. This changes Appendix A-Scoring.
- 10.3 Orange pimple buoys will be anchored at the starboard and port ends. Such buoys are part of the Committee Vessel they protect. A boat must not pass between the buoy and adjacent Committee Vessel. Such action is deemed to be touching the Committee vessel.

11.0 TIME LIMIT

- 11.1 All boats must be finished by 1800 hours.

12.0 SIGNING OFF

- 12.1 Competitors are required to sign the “Declaration of Finish” at the Sign Off desk, located inside the GRYC.
- 12.2 Entrants that do not finish the course are also asked to sign the “Declaration of Finish”, indicating in the space provided that they Did Not Finish.
- 12.3 Failure to sign a “Declaration of Finish” within 45 minutes of a boat’s finish time may result in being recorded as DNF.

13.0 PROTESTS

- 13.1 Protests shall be lodged in accordance with RRS Part 5 and the written form handed to a representative of the Race Committee at the Sign-Off desk within 45 minutes of the finishing time of the protesting boat. If possible, the protest flag should be flown on the starboard side to assist in identification at the finish.
- 13.2 Protests will be heard at the GRYC as soon as possible after the conclusion of the race, and will continue, if necessary, the following Friday commencing at 1900 hours.

14.0 ARBITRATION

- 14.1 An arbitration hearing may be conducted pursuant to RRS Appendix T for protests lodged in accordance with RRS 61 which allege an infringement of a rule of Part 2 or 4 or RRS 31. Such hearings will be held subsequent to the protest being lodged and prior to a protest hearing.
- 14.2 The time and place of the arbitration hearing will be decided by the arbitrator and such advice will be given verbally. One representative from each boat shall attend the arbitration hearing and no witnesses will be allowed. The arbitrator shall decide the manner in which testimony is given.
- 14.3 After taking testimony at an arbitration hearing the arbitrator shall make one of the following conclusions:
- (a) The protest does not comply with RRS 61 and the protestor may withdraw the protest.

(b) The matter shall proceed to a protest hearing. (This may be because rules other than Part 2 or 4 or RRS 31 are involved, or because evidence is too complex or divergent to reach a reasonable and timely conclusion, or due to the apparent severity of the alleged incident or any other reason decided by the arbitrator.)

14.4 An arbitration hearing shall not be reopened. No conclusion of an arbitrator shall be subject to appeal or be grounds for redress.

15.0 SAFETY

15.1 Safety is the concern of every competitor. Every competitor must be prepared to render assistance at any time, including when travelling from Goolwa to Milang. If a boat gives assistance to another boat during the race, she must note and record the time taken and submit an Application for Redress at the Sign-Off desk.

15.2 **Attention is drawn to:**

Fundamental Rule 1.1, which states 'Helping those in Danger. A boat or competitor shall give all possible help to any person or vessel in danger'.

Fundamental Rule 4, which states 'The responsibility for a boat's decision to participate in a race or to continue *racing* is hers alone'.

Retirement — any boat retiring from the race must contact an authorised race committee boat or GRYC Base (G-Base) on VHF 72, or the Principal Race Officer on 0428 254 821 or GRYC Base on 8555 2617 as soon as possible. In addition, the boat must record her retirement on the Sign-Off card and lodge it at the GRYC Sign-Off desk.

It is extremely important that boats follow this procedure to avoid the Sea Rescue Squadron initiating a search for a "missing" vessel.

16.0 SAFETY BOATS

In an emergency the first priority is to ensure the safety of COMPETITORS and OFFICIALS, not BOATS. Safety boats will only assist a boat in difficulties with the consent, if possible, of the boat's crew. If assistance has been accepted, the operation will be under the control of the Safety Boat Commander. If assistance is refused, the safety boat is not obliged to stand by (but will advise of its intention to leave). Boats being assisted must be towed downstream. No boats may be towed upstream unless that is the only safe procedure. There will be a number of safe 'beaching points' on the mainland and Hindmarsh Island, as indicated on the course diagram, to which boats may be towed. These points will be accessible by road and information on the boats assisted, together with the beach number where boats have been put ashore will be displayed at the GRYC. Boats will only be towed downstream beyond the nearest beaching point with the permission of the Safety Fleet Commander. Prevailing weather conditions will be a major determinant.

17.0 RADIO COMMUNICATION

17.1 Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile phones. VHF CH72 will be used for race communications.

17.2 It is important that correct radio procedure is followed at all times, and in particular, operators should ensure that the channel is clear before commencing transmission. As radio traffic may be heavy, operators are requested to keep transmissions to a minimum. After the first start, safety boats will not reply to competing boats except on matters of safety or retirement. Safety boats will take instructions only from the Safety Commander or authorised Deputies.

18.0 PRIZES

The following prizes will be awarded:

- a. First, second and third on corrected time in each division
- b. Each finisher will receive a race medallion when signing off.

19.0 PERPETUAL TROPHIES

The following perpetual trophies will be awarded:

22.0 DISCLAIMER OF LIABILITY

Competitors participate in the Race entirely at their own risk. See RRS 4, Decision to Race. GRYC will not accept any liability for property damage or personal injury or death sustained in conjunction with or prior to, during, or after the Race.
